September 2026

FEATURED THIS MONTH

Tradition: Forever Spirited

Once a Bulldog, always a Bulldog! The August 21 home football game was yet again alumni night. Reid Memorial Stadium welcomed the return of graduated EP sports and band alumna with the kick-off of the season against Shadyside. What a treasure to see the legacy of East Palestine Schools!

Pride: The Heart of a Bulldog

A Life Scout in Troop 22, Steven Telischak, completed his Eagle Scout project with a major improvement at Reid Memorial Stadium on August 21. Telischak and fellow scouts also built three new benches for the stadium, all signifying major parts of Steven's life: Veterans, Troop 22, and EPHS Class of 2028.

Progress: The Freight Depot's Makeover

Black Diamond Brewery & Distillery is making great headway at the Freight Depot on West Taggart Street! Preserving the history and turning this into a full-service restaurant is not easy, and neither is running water to a location that has never had water! Stay tuned for updates.

Community Challenge

Get out and about! Our challenge to you this month is to do one of the following, and share with us on Instagram or Facebook which objective you completed! Your prize is feeling accomplished and prideful in yourself with our community!

1. Wave to 3 neighbors
2. Support a local business
3. Volunteer for an event or help a friend

Safety Reminder

To ensure our community's safety, please remind all youth on scooters and bikes to stay alert, slow down, and share the roads and sidewalks with care and caution. Helmet on, eyes up, and no weaving through traffic- this helps protect kids and the neighbors walking in town. Your guidance makes a real difference in keeping everyone safe, and our streets welcoming for all. For more information, please contact the East Palestine Police Department at 330-426-4341

Behind The Scenes

The October Issue of our East Palestine Newsletter will be a unique addition to our archive! Be sure to stay updated on the Village of East Palestine, Ohio Facebook for our most frequent updates, recaps, reminders, and other sources of valuable information. You can also find us on Instagram at villageofepohio where we share story polls and local highlights around town!
